room which has double glazed patio doors leading to the south facing rear garden offering plenty of natural light throughout the year.

At the end of the hall is a good size kitchen which has been fitted in recent years. It offers plenty of stylish wall and base mounted units that wrap around the whole kitchen with a worktop housing the hob with oven below, space for white goods and a sink that sits nicely under the window overlooking the garden.

On the other side of the house is a ground floor 4th bedroom that serves well as a versatile spare room that could make a good office/study or playroom. There is a window to the front and skylights above.

The garden is a good size and thanks to its south facing aspect it's a suntrap! There it's a patio area nearest to the house that wraps around the house down the side return. Up a couple of steps is a lawn with a path on the side leading up to the rear part of the garden where there is a large shed/summer house that is hard wired with electricity.

Upstairs on the first floor there is generous landing that has a storage cupboard housing the boiler. At the front of the house is a large double bedroom with fitted cupboards and a nice bay window for natural light, adjacent is a smaller second bedroom that would make a good child's bedroom or another study, both have carpeted floors and double-glazed windows. At the back of the property is another large double bedroom, again with carpeted floors and a double-glazed window overlooking the garden.

The bathroom is tiled with white walls and black floors, there is a bathtub with shower above, toilet, wash hand basin and frosted double-glazed windows allowing for natural light and ventilation.

Codrington Hill is ideally situated for both transport links and local amenities including the open green spaces of Blythe Hill Fields at the end of the street. Honor Oak Park's main thoroughfare has a lovely selection of cafes and restaurants, boutique shops and a Sainsburys Local. The property is walking distance to Honor Oak Park station which has regular links to London Bridge (13mins) and the efficient Overground connection which will whisk you to Shoreditch, Canada Water and Highbury & Islington. There are also great schools in the local area which is perfect for young families.
