## Property description

Virtual tour available! NO HMO. NOT SUITABLE FOR SHARERS.

Located in the heart of West Dulwich is this fabulous new build development of this stunning 4 bedroom detached Victorian house by esteemed central London developers Walton Wagner.

This spectacular new build house has been sympathetically designed to seamlessly fit in with the surrounding architecture of Victorian houses. On a quick glance it could easily be mistaken for a typical Victorian property with its mix of red and yellow stock brick on the façade, detailed masonry and the large sash bay window.

Family living was always in mind throughout the development of 142a Croxted Road. Low maintenance and energy efficient, the house has LED lighting, Nest Thermostats, and Collecta insulation, all making for a comfortable and peaceful home whilst maximizing on energy savings. On-street parking is available, as well as an off-street space. The house also benefits from a Checkmate mortgage company approved warranty on defects. What's more, it's only a short walk from a variety of local schools, including the esteemed Dulwich College.

Through the arched doorway on the ground floor is a generous entrance hall which offers storage under the stairs and access to a downstairs cloakroom.

142a, Croxted Road , SE21 8NR · 4 bedroom House

£3,900 pcm

The rest of the ground floor area is occupied by an impressive Kitchen, dining and living room area which is clad in hard wood floors. At the front of the house is the living area which has sliding doors that can be ingeniously separated or opened up depending on the occasion. The living area has a large bay sash window to the front very high ceilings and additional windows on the side of the house that floods the room with natural light.

The kitchen dining room is a vast space with large bi-fold doors at the rear leading to the garden making it a great for entertaining guests. The kitchen is set to one side with an island and is fitted with a stylish matt dove kitchen with brass cup handles, high specification mod cons and integrated appliances including oven, hob and extractor above.

The garden wraps around the side to the rear of the house and has been neatly landscaped with a patio area off the house and a lawn surrounded by planters made out of railway sleepers.

Upstairs on the first floor are two spacious double bedrooms. A large master bedroom is located at the rear of the house overlooking the garden, it offers high ceilings, fitted wardrobes and a sash double glazed window. Off the bedroom is a luxurious en-suite bathroom with marble floors, white Metro tiled walls accompanied by a toilet, wash hand basin and a bath with shower above.

At the front of the house is a fabulous guest bedroom with very high ceilings, fitted wardrobes and a large sash bay window that fills the room with natural light. An en-suite shower room accompanies this bedroom clad in the same marble flooring and metro tiled walls.

Bedroom three is found on the second floor fitted in pale beige carpets and a nice sash window. On this floor there is also a family bathroom with a wash hand basin, toilet and bath with shower above, remaining consistent with same marble flooring and metro tiled walls.

Access to bedroom four is accessibly from the third floor staircase that leads up to the top of the house. There is a landing which would make a great study or snug area and there is a large storage cupboard which has been created out of the spire of the roof. The bedroom is on a slightly raised level up a few more steps, this bedroom is set within the eaves of the roof, the sloping ceilings are cleverly designed to offer enough head room to negotiate around but retains plenty of character and charm. A sash Dorma window is set on the side of the house for natural light.

The house benefits from modern installations such as LED lighting, Nest Thermostats and Cellecta insulation. The building has been completely refitted from bare bricks, creating a stunning combination of grand rooms with high ceilings and large windows, whilst benefiting from the comfort and quality of all-new installations.
